

## **The 24rd Research Conference of the Japan NPO Research Association**

**[Held online]**

### **Call For Participation**

#### **Information**

The Japan NPO Research Association will hold its 24rd Research Conference on June 11- 12, 2022.

We will discuss the past, present and future of the non-profit sector, and present the results and significance of front-line NPO research and practice from both overseas and across Japan. There will be panels and presentations on a wide range of topics including how to work in NPOs, management, fundraising, media, collaboration, community development, donations and volunteering, CSR, social enterprise, sustainability and covid-19.

The conference is open to everyone, including researchers, NPOs, government, companies, and students, and we hope that many of you will be able to attend.
